Public Present: None

Minutes of 10/21/15 were reviewed and approved.

ANRs, Curtesy Notices, Mail: none.

New Business: none.

Old Business: Continued planning for public hearing for wind and solar by-laws. Public hearing notice has been published. First publication was in the Berkshire Eagle was published on Monday. Second publication will be the following week. Notification for the TEBB was emailed by Christina today and is anticipated to be posted by tomorrow. Notification posted at the Post Office today. Christina read summary she has written in conjunction with the notification. Minor changes to the summary discussed. Discussed plans for content of the public hearing.

Christina made the additions to wind and solar by-laws requested by Selectmen. Also, Mimi noted that the solar by-law should be 4.1.10, not 4.1.9. Christina consulted with the Attorney General's office who reported that there would not be any concern with the posting having the wrong number, that it can be corrected at the public hearing.

Discussed organizing, scanning, and categorizing items in the filing cabinet. Holly has volunteered to take on this project after the new year.

Meeting Adjourned at 7:45pm.

Our next meeting will be November 4, 2015

Respectfully submitted, April Slater Roche
